

Anja Smykowski

Manager UMCG Grant Support Hub. Coordinator UMCG impact team. University of Groningen. The Netherlands.

Anja Smykowski is a former researcher and scientific writer that turned to grant writing and impact planning. She is now managing the Grant Office and Impact team at the University Medical Centre in Groningen, the Netherlands where she aims to create an impact culture within research support and policy. Anja provides workshops and sessions on impact strategy and planning, as well as on scientific storytelling.
