

## Hannah Worringer

*Impact and Quality Officer. ENHANCE University Alliance. Germany.*

Hannah Worringer works as the Impact and Quality Officer for the ENHANCE Alliance, an initiative uniting ten research-intensive universities across Europe with a focus on science and technology. Based at RWTH Aachen University, she leads the Work Package on Diversity, Impact, and Dissemination. In her role, Hannah actively promotes the alliance's impact orientation and is also a member of the ENHANCE Operational Office. Previously, she coordinated Dutch-German civil engineering projects and worked as a freelance researcher. Hannah holds a Research Master's degree in Social and Cultural Sciences from Radboud University Nijmegen.
