

Heather Hunt

Quality and Impact Coordinator. EC2U University Alliance. France.

Heather Hunt works as Quality and Impact Coordinator at the [EC2U Alliance](#), an alliance of education and research-driven universities. At EC2U, she works collegially to develop a culture of both quality and impact, while putting an emphasis on learning via a continual cycle of improvement.

From a background in economics at the university of Poitiers, Heather has always used her skills and passions to empower people and ensure local and global communities are positively impacted by targeted initiatives.
