

Heather Hunt

Member of the Coordination Team. EC2U Alliance. France.

Heather Hunt is a pivotal member of the EC2U Alliance's Global Coordination Team. Within the Alliance she focuses on tracking progress and impact, in addition to coordinating the EC2U student community.

After completing a Masters degree in Economics at the University of Poitiers (France) with a thesis on the effectiveness of international partner networks, Heather now uses her skills and passion to empower people within the EC2U Alliance.

She has been actively involved in event organisation for various charities, always with the emphasis on creating opportunities and giving local communities a voice.
