

## Louise Hannon

***Head of Research Post Award. University of Galway, Ireland.***

Louise Hannon has significant experience at all stages of the Research Lifecycle. As both a Research Fellow and as a Project Manager working principally on large scale collaborative FP7, H2020 and Interreg NWE Research Projects, Louise was Head of International Research Programmes at University of Galway. She has continued to support the ENLIGHT RISE Project at University of Galway of which the University of Galway was a Co-Lead to the ENLIGHT RISE WP8 - Impact of the common R&I agenda. Louise has continued her involvement with ENLIGHT as it has entered its current phase 2.0 and now leads the ENLIGHT Europe Support Network.

A Chartered Civil Engineer and a graduate of Trinity College Dublin, Louise was an Associate at one of Ireland's Leading Civil Engineering Design Consultancies. As an experienced problem solver, innovator, project and people manager she continues to support impact driven research as a strong proponent of design thinking and stakeholder engagement. .
