

Peter O'Flynn

Senior Advisor Sustainable Development Impact. The Private Infrastructure Development Group.

Peter O'Flynn is a Senior Adviser in the Sustainable Development Impact Team at the Private Infrastructure Development Group, a development finance organisation delivering pioneering infrastructure in the poorest and most fragile countries in Africa and Asia. He comes from a background in consultancy, evaluation, and research, including clients such as the MacArthur Foundation, Open Society Capital, and DfID. Previously Peter has worked as a Senior Consultant in Impact Investing for New Philanthropy Capital, as a Senior Research Officer at the Institute for Development Studies, and as a Research Analyst for Campden Wealth.
