

## Zuzana Lisoňová

**Head of Research Projects Office. Comenius University Bratislava. Slovakia.**

As the head of research projects, Zuzanna's management record includes projects funded from Horizon Europe, H2020 (e.g. SWAFS actions ENLIGHT-RISE, EQUAL4EUROPE), Europe for Citizens, European Structural and Investment Funds as well as other various international projects and national projects supported by Slovak research agencies. She is also the manager of the project "ACCORD: Advancing University Capacity and Competence in Research, Development and Innovation" devoted to modernising research and teaching infrastructures in STEM as well as strengthening academia-industry cooperation (OP Research and Innovation-ERDF; 55,6 mil. Euros). She has taken active part in key university projects such as helping to prepare and implement the first Gender Equality Plan, receiving an HR Excellence in Research Award and establishing a Doctoral School. She also provides training in research/project management and impact. Her previous work experience includes being a qualitative analysis researcher in EU studies (Political Science Department, CU) and a project coordinator/researcher in a think-tank (Slovak Foreign Policy Association). Zuzanna has a rich experience in engagement with stakeholders and the public in various forms, developing aid and democratization.
